Project Portfolio

OrgMeUp!

- Description: Developed a mobile app as a course requirement. The app streamlines student registration for university organizations, replacing traditional manual methods in joining academic and non-academic groups.

GoldQuill

- Description: Developed the UI mockups for GoldQuill, an app tailored for The Gold Panicles (TGP). The scalable, secure platform manages content, including tagging, approvals, and archival integration with Issuu. It supports Contributors, Admins, and Master Admins with dynamic role-switching for efficient workflow.
